

Making Connections... With God

To know and be known by God. It is the deepest longing of our hearts, even when we cannot fully understand or identify it. Made in the image of God, we are designed for loving relationship with him, deep dependence on him and a life that reflects his love to this world.

I long for each of us to come to know God more fully and intimately. Paul calls us to this in Colossians 2:7 when he says...

Let your roots grow down into him and your lives be built on him. Then you will grow strong in the truth you were taught, and you will overflow with thankfulness.

In Jesus we find nourishment to grow strong and bear fruit. In Jesus we find a firm foundation amidst the storms of life. As we turn to him in the face of the chaos and the calm, the good and the bad we come to know him more and more.

You are invited to join other Foothills women as we walk with Jesus together. There are so many ways you can get connected. Join us as we are rooted, built up and strengthened in him and together we will overflow with thankfulness.
